INTRODUCING THE NEW VIVO 45

Designed for everyday life

To meet the needs connected to a wide range of respiratory conditions a ventilator must offer outstanding clinical versatility and performance. But equally important, it must be designed around the patient's life, activities and home environment. That's why we've created Vivo 45 – a ventilator designed to maximize independence and mobility.

DESIGNED FOR EVERYDAY LIFE

- Small, neat and user friendly
- 4 h click-in battery and protective cover for use on the move
- Integrated humidifier

ADAPTABLE TO EACH PATIENT

- Options for a wide range of patients and conditions
- Integrated polygraphy tracing: SpO₂, FiO₂, CO₂, patient effort belts
- Easy to learn, easy to use

ACCESSIBLE EVERYWHERE

- Built-in WiFi and Bluetooth communication
- Cloud Service for simplified patient management
- Wireless streaming of real-time data to the LiveStream Software
